

It's cheaper by direct debit!

If you live in the UK it's cheaper and more flexible to pay for annual subscriptions by direct debit.

If you wish to pay by direct debit you can do so for as little as £40.00 per year.

Alternatively you could pay £21.00 every six months or £11.00 every three months, but we can only offer these flexible arrangements if you pay by direct debit.

To take up this opportunity simply print this form, fill in the details below, sign the form and return it to us by post. Unfortunately you cannot submit the form electronically as we need your actual signature on paper.
